## Prez Report

Hello and welcome again.

Round 2 of the Kawasaki Winter Series was held the other weekend - low numbers and variable weather didn't do much to enhance the day but it was done and dusted without too much drama. Thanks again to the marshals and other volunteers who helped out - would not have been possible without you all.

Final round is this weekend (8th September) and here's hoping for better weather but it was pointed out to me that it is a Winter Series so expect the

weather to be unsettled, anyway get down to Taupo to race or help - either way is fine by me.

Another big event for the Club this month is the North Island Trials Championships on the last weekend of the month. Good luck to the riders, and if you can help, please put your hand up.

The centenary organising is well under way so jump aboard if you're not already and see where it takes us.

Of concern to everyone is the Special General Meeting that the committee of the club will be holding October club night - see later in the mag for confirmation. This will be to discuss and vote on changes to our constitution so that we can bring it up to date and have it relevant to our situation as a club. There should be some copies at club night for you to look over and have a think about before voting so see you there.

*Cheers, Frilly*

### NEXT CLUB NIGHT

# Kent's Quarry

A damp day for all at Kent's Quarry on Sunday 11th, as 11 hardy riders had a play amongst the mud and rocks. The extra energy sapping moisture left a few tired bodies as the sections succumbed to liberal dosing of lubricant. (It pissed down and we got wet) Kent's can change from easy to

impossible in very short time and this day was no exception. All sections were quite ride-able in the dry, but not today .

Some high scores and DNF's attested to that, but, smiles from almost all, and great chance to practice wet weather skills.

A very special thanks to Warwick Merriman who put in a huge amount of time and effort to mark out the trial over the previous week, and also to Ezra's grandfather for allowing the club access to the farm. Also thanks to Francis for his help in setting the sections.

Good to see the Whakatane contingent turn out for the first time this year please keep it up and to Richard and Brad Pitt coming all the way for Auckland for the day all appreciated. It was an excellent trial, on first impressions it appeared to be reasonable and not too difficult for all the grades, but add a little rain and a pile of slippery logs and all that changed.

From reviewing the scores the old master (and section setter) Warwick Merriman had it over everyone with a couple of clean rounds however all his good work was undone by a five on the last section of the day, ending the day on 11, this left it open for Bevan George to pip Warwick to first place in grade 'Sportman' with an outstanding score of 9, well done Bevan. In the other grades the scores were spread wide with Ezra only scoring 8 in the social grade, excellent ride looks about time to move up to clubman. Colin Downs had a tough day competing with himself so deserved the win intermediate's Overall a fantastic day with thanks to all for participating. There are no planned events until November but I think that there should be room to run another club day before then.

# Training Day

Sunday 25th saw a first for our new trials venue at the Huntly Kimihia Lakes Adventure Park. A training day for trials riders run by Jules Hugenin from Christchurch. Jules was one of the top riders competing at both of the Motofest Arena trial spectacular at Hampton Downs.

11 riders in two sessions benefited from Jules experience and knowledge at all levels from getting round greasy banks to jumping on and off retaining walls. It was a good way to understand how the experts make it look easy when there is more than just 'giving it the berries' to get where you need to without the big get off!

My thanks to Jules and Barry on the day plus Neil on the chainsaw clearing gang a day before.

There will be more training days in the future.

## Centenary Update

We have made a bit of progress over the last month. Quotes have been obtained for a dinner venue, and for catering.

We are happy to have more input into this, but after some discussion, we have decided to aim for a sell price of \$60 per head, which we hope shouldn't put too many people off, and should come close to being user pays, although with the price of things these days, it could be a close run thing. Hardest thing is to get a handle on the number of people that will turn up, with figures between 100 and 300 being guessed at.

The book is coming along well, but we still have room for new contributions, but remember it is a book about the club, not individual achievements. But that said, we do want to include a list of overseas successes of club members. If you know of suitable inclusions, email them to me at hmcc.mship@gmail.com for inclusion.

We have NZ successes already listed on the honours boards at the entrance of the club rooms, so that is covered.

Also looking for a full roll call of Life Members, past and present.

One new development has come up. See the scene below - look familiar? That is the corner of Hood St/Victoria St in 1920, currently a coffee shop.

We are planning a promotional event, recreating this scene, and having a motorcade up Victoria St, on Sunday 29th March, 2 weeks before the Dinner. This will be a good publicity lever to grow awareness of our Centenary, as well as promoting the show at the Classics Museum, maybe the show at the Waikato Museum if we can co-ordinate that, and promote the book sales.

## Motorcycle Long Jump Recalled

From the Times June 3, 1953

The Hamilton Motorcycle Club is to apply to the New Zealand Auto-Cycle Union to have a motor-cycle long jump made by a club member, C.T. Clarkin, recognised as a world record. This was stated today by the president of the club, Mr A. S. Harp.

The jump was made by Clarkin at a motor-cycle gymkhana staged by the club in aid of the St John Ambulance Association at Muir Park, Frankton, at the weekend. There was a very large attendance at the gymkhana.

There is some doubt in motor-cycling circles in New Zealand as to who holds the world record for a long jump but it is generally recognised that the figure, prior to Clarkin's attempt, stood at 54 feet.

Clarkin took off from a plank eight feet long and with a rise of 14 inches. The front wheel of his machine, a 350cc Ariel, touched the ground first 59ft 4in from the spot where the machine became airborne. The rear wheel touched down at 59ft 1in.

The motorcycle travelled in a straight line and was in perfect control all the way. About 50 spectators responded to an invitation to check the measurements and expressed themselves as satisfied.

An amateur photographer, who did not, apparently, expect the record to be broken stationed himself where he considered the machine would land. Clarkin sailed past well above his head and he found himself the possessor of a "worm's eye" view of an airborne motor-cycle.

(NZCMRR) Ray Charlton 09 846 8736,

**W**HY'S SYLVIA HARPIN' at me to take her on trips all the time? How come she doesn't understand I got a business to run, can't go flittin' around like I'm some kind of kid on a motorcycle?

Ka-wa-saki. Kawasaki...900...900 what?' Where's that kid goin' on that thing anyway with a bedroll? Can't sail it to Hawaii, can he? Can't fly it to Aca-pulco, can he? Kids.

Wonder what it's like just travelin' alone on a motorcycle with your bedroll. No traveler's checks. Goin' anywhere you want. How's a guy get along? What if I said, "Sylvia, so long for two weeks, maybe more, I'm hittin' the road on my Kawasaki motorcycle and my bedroll and that's the way it is"? Where would I go? Wyoming? Maybe first the ol' home town's where I'd go. Wonder what they'd say. Elton, he'd come out of his drug store and say, "Hey, Murray, thought you were in the travel business." And I'd say, "Business got boring, so I'm traveling."

Wonder if Margaret Stevens is still there. Maggie. "C'mon, Maggie, I'm taking you away from here. Goin' to Wyoming. Don't pack, just bring yourself." Bet she's prettier than ever. Maggie.

Dumb kid. Why'd he go and park that thing in front of my place for?

## FOR SALE

1968 BSA Bantam 175cc - 2 stroke

Bike has original everything except for tyres and cables. I have had repainted and pipe chromed in . Runs well - starts on the 2nd kick from cold.

I am the 4th owner. 17,940 Genuine miles

Declined an offer of \$4900 - want \$6000 for it. This is not your normal Bantam due to low miles and all original parts. Engine & frame match.

Originally owned by Roland Cope who purchased from new in England then Emmigrated to NZ and brought Bike with him to NZ.

Roland passed away and Bike transferred to his wife

Then my friend Dave Philpott bought the bike then just before he passed away I bought it from Phil .

I have owned since about 2002 but will need to look at papers at home.

Cheers, Hillary Fenn

# AUGUST CLUB NITE

Boyd Motorcycles kindly loaned us the latest Suzuki Katana. I enjoyed my brief ride on this machine, with it's neutral relaxed riding stance, 'adequate' power, security of traction control on a very cold evening with some light drizzle added for to make things interesting. But all the gathered members could focus on, was it's rear end, and lets say it was less impressive than the cool front view shown above.
