**Prez Report**

Hi all again. Well the big words on everyone's lips should be **AGM, Centenary and NZSBK** all in that order.

Firstly the **AGM** this club night is on so you are all required to attend to vote in new positions on the club committee or nominate yourself-either way get down there.

Next is the centenary and with D-day fast approaching now will be the time when we call on you for help and trust

me when I say that your help is needed. The bulk of it is done already we just need you to help out in small ways. NZSBK is also going to require some helpers as per the norm. It's a bit disappointing when the call for help is put out and the same few people always put there hands up and carry the brunt of the load so that you don't have to-well that needs to change and only you can change it so please put your hands up for something because at the end of the day the club is as much yours as it is mine. See you club night

**NEXT CLUB NIGHT**

**7th MARCH**

**Doors open 7.30pm**

**Annual General Meeting**

**Plus .... TALK About SUSPENSE!**  
**Guest Speaker to talk about trick suspension**

## What's coming up in the next few months

- March /th HMCC AGM - Clubrooms Thursday from 7.30pm
- ~~March 29th~~ Postponed to April 11th Road Ride -Centenary Re-creation, meeting at Hood St 8am
- April 2nd Club Night Thursday
- April 4th/5th **The BIG ONE - HMCC Round of NZSBK at Taupo**
- Lots of volunteers required, please make it easier for the committee by offering your services before you are asked!

***Then, even BIGGER than BIG!!!***

### **EASTER WEEKEND- CENTENARY!**

### **QUINE ROAD HILL CLIMB MAY 3rd**

Almost overlooked with all that is going on at present!

We have scheduled May 3rd, planning and preparation is well under way, so put that one in your Diaries.

### **END OF ROAD RALLY**

A new site has been found, but we are awaiting inspection of it's suitability first before we can set a firm date. Maybe late April! Check out next months newsletter.

### **ANZAC ROAD TRIAL**

Should be held on the 25th, hold that date. Subject to confirmation that a route has actually been set! More news next months newsletter.

### **HMCC CLUB ROAD RACE SERIES**

Yes, unfortunately, Kawasaki have opted not to renew naming rights this year, so they are up for grabs!

After last years series struggled to attract sufficient riders, we have shaken things up a little for this year., By keeping the 3 rounds close together, and with the final round being near the Suzuki Series, we should be able to pick up extra riders. We are also going to include Sidecars, as they have had the chance to finish their winter rebuilds.

Three rounds still, the first on the usual Taupo 2.2km circuit. The second probably the same, and the final on the full International Taupo circuit.

Dates 6th September. 4th October (to be confirmed), 15th November (also still to be confirmed).

### **NZ Superbike Weekend Rosters**

The Club is committed to running this years event at Taupo, and we want to put on a professional effort to hold the Club in good light.

Our last 2 years efforts have been superb, we need to keep up the high standard.

I know it's a hassle as it usually involves staying away on Saturday night, but it is a great experience. Some subsidised accommodation is available.

We do have some positions filled, but need plenty more

We will fill it in on Club Night, so if you are not coming to club night, please phone in your availability to Steve 022 09604067

#### **Friday 3rd April**

Help with Set up on the Practice Day

#### **Saturday 4th and Sunday 5th April**

The Club needs to provide:

Flag Marshals and Runners - all weekend - at least 24!

Recovery Crew - 3-4 people

Grid Marshals - 2 people

# Centenary Weekend Schedule

## Thursday 9th April Afternoon

Set up display at Classics Museum

## Friday 10th April

Set up display at Classics Museum - any time over the day

## Saturday 11th April

- 8.00 Meet up for coffee and Photo re-creation at Hood St  
9-9.30ish Lead ride up Victoria St, and off to the Kaimais for the second photo op!  
12 Noon - The Kaimai ride should be returning to Clubrooms. Clubrooms will be open all afternoon, until the last Courtesy van heads to the venue.  
5.00pm Tiger Moth scheduled to land at Te Kowhai to celebrate the 100 years since the club organised the same thing at Claudelands, which in 1920, was the first time an aeroplane ever landed in Hamilton.  
6.45 Centenary Reunion Dinner served

## Sunday 12th April

7.00am - Middy. Swap Meet at Classics Museum, in conjunction with the Waikato Classic Club.

Clubrooms will not be open due to its regular hirer's church service

## Monday 13th April

9.00am Trials Demonstration and have-a-go day at Kimihia Lakes, Huntly

10.00am Clubrooms will be open from 10am for tea, coffee and snacks and more reminiscing before people head off.

*Note: I haven't had many orders from current members.*

*Current Members are indeed welcome to join us, it will be a fascinating evening for all.*

*And don't forget to let any former members you know who may be interested, know about the event.*

# Easter 2020!

# WE WANT YOU

The club has a few positions to fill as our current Secretary and Newsletter Editor is relocating to Australia in May . . .

, , , and with Steve Parker pulling back from Treasury, some of the roles he has traditionally done can be spread around better!

## Club Secretary

Believe it or not, despite having the word “Secretary” in the title, this is not a role restricted to the female of the species . . . this is an important role, keeping the communication channels open between the members, the committee, and the organisations we deal with. Time wise shouldn’t be too onerous, an hour or so here and there, and best that you are available for all committee meetings – there is only one a month.

## Membership Secretary

Holder of the membership Book, and recorder of members. You will be someone who attends most club nights, and is computer savvy enough to keep an eye on incoming emails and payments, to enable cards to be posted asap, as often they are time critical for members wishing to compete.

## Newsletter Editor

You’ll need to attend committee meetings, and assemble and format the magazine over the weekend following. You know what the newsletter looks like – we format it using Adobe InDesign, which I can train you in, if you are up for it. Needs a few hours commitment in the week between committee meeting and club night. Usually you will collect mag from printers, and post the ones requiring posting, although this part can be assigned to another person if it doesn’t fit your schedule.

## Treasurer

Ensures all income is accounted for, and banked, and all bills are paid on time. Maintain accurate records in Xero accounting system, provide monthly updates to committee, and prepare End of Year Balance sheet in February. Must be able to attend committee meetings.

## Property Manager

Someone to keep an eye on building maintenance issues, and make sure that maintenance is done in a timely manner. This can be by personal skill, organizing working bees of club members, or organising professional services as appropriate. You will need to specify and obtain quotes for professional services, and obtain council permits if required.

# HAMILTON Motorcycle SWAPMEET SUNDAY 12<sup>th</sup> April 2020

- ALL SWAP SITES FREE
- Low Volume Swap Sites – sell from your bike!
- Swap Entry \$5. Children under 12 Free

**Show'n Shine – Ride In and  
Display your bike. CASH  
Prizes!**

Classics Museum, 11 Railside Place, Frankton Hamilton  
(See Classics Museum website for location details.)

# Centenary Weekend Schedule and Rosters

The following is the finalised timetable, and the people power requirements to make it all run.

If you are able to help, please volunteer for any of the following positions. We would welcome more than two, that is just what space allows in the newsletter.

We will fill it in on Club Night, so if you are not coming to club night, please phone in your availability to Steve 022 09604067

## Thursday 9th April Afternoon

Set up display at Classics Museum

Helper 1 ..... Ph.....

Helper 2 ..... Ph.....

## Friday 10th April

Set up display at Classics Museum - any time over the day

Helper 1 ..... Ph.....

Helper 2 ..... Ph.....

Set up tables etc at Te Kowhai Hanger in prep for Dinner Sat 11th

4.00pm Need a couple of people at the venue to meet and check in people to the Reunion Dinner

# Centenary T-Shirts

Just in the nick of time, designs have been finalised, and will be produced in this fabulous range of fashion colours!

All for the princely sum of just \$24!

We would like to get pre-orders, so you can ensure you get yourself the exact colour and size combo you wish for, as we do not want to hold a lot of stock, but we will have some available on Easter weekend for the dis-organised.

After that, you will have to wait until we have enough orders to run another batch, so best you get your orders in quick for the first run.

Order through the Website, or at this month's Club Night.

White

Polo Grey

Coal

Light Blue

Sage

T Shirts Orders - State colour choice White, Coal, Sage, Light Blue, or Grey Polo

# Sound of Thunder 2020 Wrap up

A manic two weeks of bike building and racing is over.

I had planned to have the a new 1100 engine built, fitted and tested in January - weeks ahead of our annual trip to Christchurch for the Sound of Thunder Bears meeting. But, as usual, the Fusion finally fired into life the day before we left, zero testing. Steve was no different of course, as he was still spannering the latest configuration of his 750 an hour before we left.

Wednesday 6:10pm and we were off to catch up with the rest of our team (who, in contrast to the Bridge brothers were much more organised) for a 2:00am ferry crossing and an hour or so of sleep on the ferry. From there it was a quick 5 ½ hours' drive to Ruapuna arriving 18hours after departure to set up the F1E pits ahead of free practice Friday.

Friday was busy setting up and testing the Fusion. I built it in 2007 and it has since had many parts replaced but now has a new engine, forks and brakes - it's just like dads old

axe. I was happy with the progress by the end of the day.

Saturdays qualifying put me 4<sup>th</sup> on the grid, outside front row in my main event - Superstock Open. And that's how my meeting finished up, three 4ths and 4<sup>th</sup> overall. Add in a few black lines exiting the sweepers and the odd false neutral braking from high speed, it certainly made for heaps of fun alongside the odd panic moment.

Shane Graves had a high speed off in turn one after another bike took his line in his second race. He suffered a broken knuckle, destroyed helmet and concussion but was rewarded with a trip to hospital for overnight observation by a couple very fit lady medics. He made

it back to catch some racing and prize giving.

Mike Lind put in some great rides on his fast and sexy Bimota DB1 until a crash put an end to it before the last round. Unfortunately the DB1 lying on the track and some lacklustre flag waving resulted in Steve Degroot clipping the rear tyre and hitting the deck also. Steve's Ducati TT2 was repaired for some good finishes in the last round.

Both Frilly and Dave suffered a few mechanical gremlins which they got on top of and put in some good rides.

Then there was Steve Bridge who put on his usual show of dominance with a win first up on the 750. However, this was soon followed up by a reasonable off which would put most riders out of contention for the rest of the weekend. Instead, Steve spent Saturday evening out in the rain repairing the bike for another two wins on the Sunday. Steve's efforts on the 1199 Panigale were similar, with a reasonable off wiping out all the controls on one side. A hectic repair was required to get him back out to the front of the F1 race only for him to do it all again in a high side witnesses described as a 'huge off'. That still wasn't enough to deter him from making another repair and getting back out to the front of the next race. Almost 30 years after Steve's first Sound of Thunder, the time, sweat, blood and dedication he puts into racing is stunning.

Great results from other Hamilton Club members as well.

Glen Conroy 1<sup>st</sup> Milwaukee Iron

Nick Kampenhout 1<sup>st</sup> F2

Zurri Wiki 2<sup>nd</sup> F1A

An excellent event, heaps of fun, lots of laughs with good mates. Looking forward to doing it again at Manfeild, Central Thunder.

Thanks to the whole team, supporters and to the Bears Club for hosting my favourite meeting of the year.

---

## IMPORTANT NOTE RE: TRIALS CHAMPS - SEE OVER

Hi All,

The NI Champs rounds 3&4 are being run by Auckland in conjunction with Hamilton MCC. Pooling of resources is important for our sport as we are thin on the ground at present.

We need observers for the two days 21st and 22nd of March which will be at Ray Skinners at Ramarama and Lapwood's at Tuakau.

This is an opportunity for those who are new to the sport to watch experienced riders techniques and help to strengthen trials.

Training will be available if required.

Please contact Ray Skinner or myself if you can help. Any youngsters who could clip score cards on the longer sections would also be a great help.

Email for ray is:- [rjskinner@xtra.co.nz](mailto:rjskinner@xtra.co.nz)

Lunch and Petrol money is provided for all observers.

# BURT MUNRO FEBRUARY 2020 RACE REPORT

DAVID LEWIS – TEAM ILROS (IT'S LIKE RACING ONLY SLOWER)

I always fancied the idea of competing in the "BURT" and being 60 in February it seemed like a good reason to do it. Luckily for me a group of old friends thought so too, so with 4 in the tow vehicle and 2 on bikes we set off for Invercargill.

I raced my CRF450R - sponsors Bridgestone Tyres (Whites Powersports) Honda Hamilton.

Entered in Hill Climb, Beach race and Street race

We took the scenic mountain route on the way down, just managing to beat the floods and made it down to a surprisingly cold and windy Invercargill. But an old Northern Pom does not complain about the weather!

Wednesday morning : Teratonga Track day

We fitted the tallest gearing we had and did a couple of sessions to check bike and rider!

Wednesday afternoon : visited Bluff Hill Climb to make notes and have a few slow runs up the hill on Geoff's Africa Twin. Looked like a "good" hill and seemed a bit easier to learn than Quine Road.

Dodgy weather in the evening so 7-9pm Southland Honda kindly allowed us to share their workshop space so I could prepare the bike for the Hill Climb. Changes to gearing and fitting wet wheels.

Thursday morning : off to a very wet and windy Bluff. On arrival we heard that a camper van had been up the hill with no fuel cap fitted spilling diesel on to the road. Not good for rider morale. The Southland MCC got the job sorted quickly with 2 fire engines and lots of volunteers. I walked up the hill so I could see for myself and they had done a magic job of cleaning up the spill. It's a very steep hill, so walking up it was good motivational exercise.

I had some half decent runs, and I think I got 4<sup>th</sup> fastest time for Motard.

A great day.

Friday morning : Worked on the bike in the motel car park converting over for beach race use.

Friday afternoon : Beach race. Fantastic atmosphere. Lots of competitors and spectators. We were treated to low level passes and a really good display by a throbbing piston powered stunt plane. Gave me goose bumps and got everyone in the mood to race.

-18-

Had 2 laps practice, but woefully under-prepared with my riding gear. The sand from the other bikes rear wheels really stings and bruises any part of the body not covered!! Now I know why the seasoned riders were wearing leathers or endure jackets.

One Mile dash Race, saw me make a great start but slowly make my way to the back of the pack. I was surprised by the speeds obtainable on wet, rutted sand – 150kph plus!

Saturday morning : Converted bike back for Street race. Changing wheels and gearing etc.

Saturday afternoon : walked the Street Race course. Looked the safest street circuit I have seen, mainly around an industrial site.

Sunday morning : This was the highlight of my week – the Street Race.

Unfortunately delayed due to high winds and heavy rain. But once underway the race was as good and exciting as I expected. I qualified 12<sup>th</sup> out of 20. Happy with that – this gave me a very good outside grid position for the actual race. I got 3 good starts, 2 11<sup>th</sup> placings and 1 10<sup>th</sup> place. I held 9<sup>th</sup> until the second corner from the finish.

Didn't piss off too many of the younger quicker riders, all in all a fantastic race experience.

In addition to the racing, we had time to check out the fantastic bike and truck museums. The whole Burt Munro event was an amazing experience – I would highly recommend it!

Cheers

Dave Lewis.

-19-

# CENTENARY UPDATE FEB

The Tiger Moth fly-in has been confirmed, subject to weather conditions. These are rare and fragile beasts, and can only be flown in good conditions.

## TICKETS

I would urge anyone planning on going to the dinner to book asap, number will be limited, and people are coming out of the woodwork.

## FINDING FORMER MEMBERS

Please talk to acquaintances and spread the word around, particularly to help find those no longer active in motorcycling, who may not be aware it is coming up.

## OTHER WEEKEND EVENTS

Road ride on 11 April. Ride down Victoria street up to the Kaimais and back to the classic museum. Aim to leave about 8:30 – 9am.

## BIKE SHOW & SWAP MEET

Entry is 1/2 price on the day of the swap meet (12 April).

You can test your race car or race bike or your road machine, there is no Race track in NZ that you can have a vehicle wide open for up to 1 minute, even Pukekohe is now only 750 meters not 900 meters imagine the adrenaline buzz.

We will give you a certificate that shows all the details of your vehicle, so you can compare to classes overseas whatever.

The bragging rights don't come better than this.

Landspeed New Zealand Association is committed to providing Legal Landspeed racing under a controlled and safe enviroment.
