Prezzo Report

Hi all again

Well, we finally managed to complete the bike show, centenary dinner, tiger moth display, trial display and the recreation ride to top of the Kiamais. A huge thanks to everyone for all the dedication, energy and execution to make it all happen.

So now after a week of two to take a breath we are now looking at the AGM on Thursday and Quine Rd hill climb in early May. There will be some positions opening up on the committee and executive committee also so get on board and

play your part. All the hard work has mostly been done by the current standing committee so no one will be thrown in the deep end.

Some areas of concentration for the upcoming year will be some maintenance and remedial works to our clubrooms. This has been on the agenda for some time but due to the centenary commitments we decided to put things on hold until we got through everything and now, we have then this will be something that will be happening this coming year.

Also, we are returning to Pukekohe for our club round which will be great to return to this historic track. Also remember the trials section are hosting the NZ championship this year so we look forward to that event also.

I will see you all on Thursday

POSITIONS UP FOR ELECTION

President

The Executive positions are required by our constitution to be limited to 3 consecutive terms. Phillip is stepping down this time. We have received one nomination for the position so far, but any other member may also put their name up for this position

Club Secretary

Believe it or not, despite having the word "Secretary" in the title, this is not a role restricted to the female of the species this is an important role, keeping the communication channels open between the members, the committee, and the organisations we deal with. Time wise shouldn't be too onerous, an hour or so here and there, and best that you are available for all committee meetings – there is only one a month.

Newsletter Editor

Steve keeps getting out of this job, but it keeps on bouncing back! And he's had enough, time for someone else to really make their mark.

You'll need to attend committee meetings, and assemble and format the magazine over the weekend following.

You know what the newsletter looks like – we format it using Adobe InDesign, which I can train you in, if you are up for it, but if you prefer the simpler A4 format that can be done in any work processor, go for it, the current format is not compulsory! Needs a few hours commitment in the week between committee meeting and club night. Usually you will collect mag from printers, and post the ones requiring posting, although this part can be assigned to another person if it doesn't fit your schedule.

Quine Road Hill Climb May 9th

Not too late to get your entries in, as of today I can fit another 12 riders.

Great entry level sport, blow the cobwebs from your race bike, show us what your road bike can do, bring it, we'll make a class for it.

Here are the records, some will be pretty tough to top, some may be easier pickings, have a go, your name could end up in there.

Trials National Champs October 23-25

Hi All,

The National Championship 3 day event will be held in October 23rd to 25th in the Waikato.

Two days will be at O'Shea Road, Pirongia and one day at Saunders, Wharepapa South.

We will need a minimum of 13 Observers for each day.

A lunch will be provided and the local Cadets from Te Awamutu will provide clippers and assistance on the day.

Please put your hands up for as many days as possible.

It is still 6 months away but we need to have an idea of who is available will trials experience.

We will supply a rules sheet to assist anyone who needs it, and training if required.

I can supply an electronic copy to those who would like to "bone up" on these rules.

Please reply ASAP to me with availability with the Subject line "Nat Champs Observer"

Any dietary requirements for the lunches and any fitness issues.

We can still use older observers but will arrange to put them nearer to vehicle access or arrange transport to the sections.

Any other questions, please ask, as we aim to make the event enjoyable for competitors and officials.

Some of you have already made yourselves available but I would appreciate confirmation.

Cheers

Tony

ROAD RIDERS CORNER

Our Road Trial was run as part of the Centenary celebrations over Easter. Steve Walter set a relatively short, but interesting course, in the name of getting people home again to get ready for the Centenary Dinner.

Anyway, plenty of the usual suspects, and a few new ones headed south and proceeded to follow the instructions, or not, had a bit of fun, and all made it back to the museum including me with far too many wheels involved.

Centenary Road Trial Results

(1) Kevin (Horse) Hooper, (2) Bruce Delaney and Michelle, (3) Danny and Jill, (4) Steve DeGroot, (5) Mark Hatton, (6) Josh, (7) Ray Cox, (8) Neville Macbeth, (9) Steve Smith, (10) Steve Parker

A 2-hour cruise of the back roads and Waikato scenic spots on a glorious morning and only 10 punters. A couple of new faces turned up and no one got lost badly.

A time honoured system of points for distance and time penalties produced a tie for 1st and 2nd between 2 very experienced road triallers so it came down to fractions of a km/h. All this involves a bit of luck anyway, nominating an average speed and allowing for delays.

Mr Parker was let down by Italian electrics but still turned up at the finish but with few ks on the speedo.

Hamilton Motorcycle Club Centenary 2021

by Terry Stevenson

Images by Lance McCaughan, Steve Parker & Terry Stevenson,

The Hamilton Motorcycle Clubs long awaited centenary celebrations kicked off late last year with the Waikato Museum displaying a range of artworks purchased from donations from the clubs 1970s 'Founders Theatre' street races in Hamilton. One work piece is now said to be worth around \$150,000!

Combined with the Waikato Classic Club, the annual HMCC swap meet on March 28 was successful although drawing a dwindling number of sellers as website trading takes over these types of transactions.

The main course was staged during stunning good weather over Easter weekend as the centenary dinner got underway at the local Te Kowhai airfield.

140 guests were treated to a couple of circuits, a low pass and finally a re-creation landing of Robert McNair's superb Tiger Moth to re-enact the clubs popular 1920 landing of the first aircraft in Hamilton during the clubs inaugural race meeting.

Then it was down to business as club president Phil Duthie made the formal opening and introduction, assisted by life member Steve Parker.

The surprise arrival of the Southwards Motor Museum's 1924 Douglas motorcycle during the evening brought tears to the late Bill O'Brien's daughter as it was wheeled in while being interviewed. As a young girl Gail O'Brien worked on club legend Bill's old Douglas and fastidiously cleaned it after every event. Very patina, it still looks like it was raced last weekend, too!

Then it was down to business with competitors and club helpers coming onto the stage in the decade they raced or were a club official. This is where some of the funniest and most entertaining stories emerged from current and former members of the likes of Ginger Molloy, Trevor Discombe, Hugh Anderson, Greg Power, Steve Parker, Allan Webb, Bruce Weeks, Roy Long and many, many others. We thank them all!

All the while old scrambles and road race movies from the late Alan McLaren played on the big screen to add to the serene atmosphere.

The following day almost 100 motorcycles gathered on Hood Street to replicate the clubs famous 1920s photo with a fine line-up of motorcycles of the period. 49 riders then made their way to the top of the Kaimai hill which is the place where the idea of forming the Hamilton Motorcycle Club was first discussed. Not forgotten, a Trials demo day was held on Easter Monday to cap off a fine anniversary.

All this time the HMCC staged a 60 bike display in the local Classic Museum spanning some three weeks, titled 'Through the Decades', where road, race, scrambles, motocross and trials machines from each decade were featured to represent the clubs 101 year Journey.

101 years being a key number to the celebrations after two disruptive 2020 Covid-19 related postponements.

Well over 60 motorcycles and their riders gathered in Hood St for the Cenetnary ride, and most made it to the top of the Kaimai's, re-creating one of the club's original rides.

100 YEARS IN HOOD ST

Well, approximately! Not so many outfits in 2021.

What a fantastic turnout of old and new bikes, old and new faces, great atmosphere. We counted over 60 machines, many 2 up, plus extra visitors.

Most then took part on the re-creation ride to the top of the Kaimai's. That was quite a buzz, parading through Hamilton and Cambridge, and thanks to the Ulysses guys that

are accustomed to big groups, manning the intersections and roundabouts to ensure we all stayed together.

Cracker day for it, we took over the Kaimai lookout carpark, hopefully not scaring the few families already there! Apologies to all car people that thought about stopping, but found the sight of 50 motorcycles a bit much.

We seemed to scatter in all directions from there, a smaller group making it back to the clubrooms for a BBQ in the afternoon. What a great way to celebrate our Centenary, plus one.

SHOW HIGHLIGHTS

So damn many, but here are a few special machines and people that popped up in the brief time I was there. The final day.

The fabulous Bill O'Brien Douglas

Hugh Anderson with the Manx Norton he bought new

Jenny and Roy Long, with their awesome Frenzy bike no 41. Some other POS bike behind affectionately known as 4Q (say that out loud)

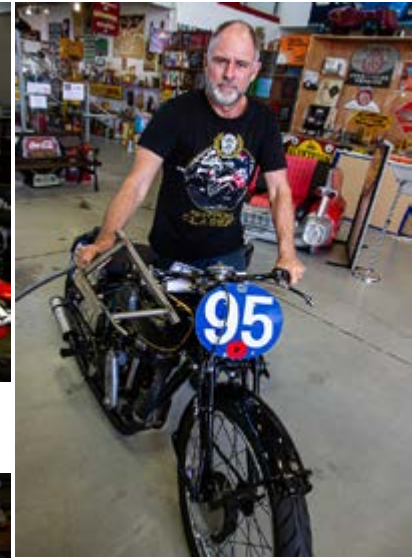

Phillippa Jensen, daughter of Syd Jensen, who rode a Triumph GP bike of which this is a replica, to victory in a Hamilton 100 race, and also raced at IOM and other European circuits. This machine owned by Peter Pawson.

Hugh Anderson and Trevor Rose talking with, (if I remember right!) Sandra Kenney, one of our Club Secretary's from the 1970's

Greg and Sue Boyd, who provided a number of motorcycles for the show.

Neville Micklesen with his Velocette

Hugh Anderson, in full on story-telling mode, sitting astride a Triumph Speed Twin he restored after getting back from Europe in the 1960's

Some crusty old dudes hanging around the show on the last day. Life Members all.

Bruce Weeks, Hugh Anderson, Steve Parker, Roy Long and Trevor Rose

Chris Evans, with the bike he has owned since new, and on which he won the 1985 HMCC Club Series

LAST CHANCE Centenary T-Shirts

We are doing a very limited extra run of these to fill some orders that we are out of stock.

This will be the last time this design will be made, so get your collectors version now.

I will take new orders this week only, and they will be printed in the next week or so, don't miss out! Very collectable.
