## Prezzo Report

### July Presidents Report

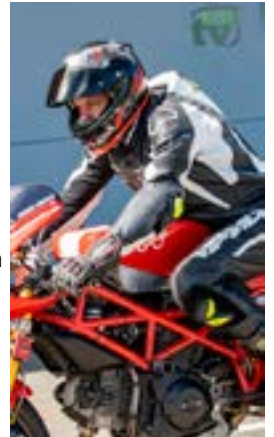

Hi Everyone. Well, I am glad to tick off a Winter month and am very much looking forward to some warmth and longer days. Last club night was our Prize giving well done to everyone who received an award especially those who turned up in person to receive their accolades in person and took home some product prices from Chemz. Please keep Chemz in mind when you need aerosol products.

We also managed to fit in our AGM and elect our committee. Thank you to Sharron and Frilly for staying on and trying new roles and as always, a thanks again to Steve Parker for filling important roles while others get up to speed and new blood steps up, you position is clearly labelled "Temporary". Also welcome to Nick Lascelles, Alan Crouch and Jacob Stroud who joined our committee it is great to see some fresh faces, Thank you. Anyone interested but unsure about the committee is welcome to sit in on committee meetings 8:00 Tuesday the week before club night. The more input and experience the stronger our club will become.

Big thanks to Chris and the Royal Motorcycles Team for lending us their very special Royal Enfield GT 650 Racer. So good to see enthusiastic motorcyclists building their own unique motorcycle. Get along to check out Royal Motorcycles very impressive showroom.

# MID WINTER DIP RIDE Report

Whangamata

If people predicted Sunday's weather by what we had on Saturday, they would've stayed in bed... perhaps that's why we only managed a small muster on a beautiful day.

At least we managed to get some new faces and rarely seen on road-ride people.

Sheesh I can't remember exactly, 8 or 9 of us headed out into the still damp waikato countryside, everywhere evident just how much rain had fallen in the preceding 24 hours.

The road started to dry out the closer to the best bits, but you still had to be cautious of the shady bits.

Nice to soak up some sun in Whanga. The swimmers names shall remain a secret known only to those who were there.

Lunch was had the the cafe behind the surf club, the first time I have seen it open mid-winter.

Jordan joined us for the ride home, he had spent the weekend over there.

Back over the Kopu Hikuai's, a refreshment stop at Kopu, and homeward bound before it got too late and cold.

# Air Cooled Series Round 2

One foggy morning on Sunday 26<sup>th</sup>, the 2<sup>nd</sup> round of Hamilton's air cooled series got under way. Once again we returned to Corcoran Road in Te Pahu with some old time memories of trials at this property.

The Air Cooled series is aimed at getting older trials bikes out to see sunlight after years of being left in sheds while modern water cooled monoshock weapons attempted the near impossible.

This series has proved popular with new and returning riders, new riders, modern bikes and the youngsters on electric bikes. The sections three levels of difficulty allow for an easy and safe ride at the social level. Points are earned for the Errol McCabe twin shock-drum brake class and the Brian Barnsley air cooled engines. Trophies are awarded in each class at the end of the year.

The sections are marked to suit the non-stop rules of the day. (Because wet drum brakes don't work?) Ten sections set out with two in the further paddock and three on the pits side of the stream plus four around the dry stream bed. One crossing of the stream ensures wet feet for spectators.

Once the fog lifted, it was a great day out in the middle of winter. Many thanks to the property owner, Phil Wier, the setters and officials that make these events possible.
