HMCC Presidents Report September 2024

Hi All

Winter is over! Longer days, warmer temperatures and less rain are on the way just the ticket for better riding. And as it is Spring, Big News! our clubrooms are getting a long overdue tidy up and repaint. This has been on the horizon for a long time, I cannot wait.

This club night the NV Motorcycles team are bring along the brand-new Husqvarna Vitpilen 801 and a pair of the very poplar Triumph 400s for us to inspect up close. First Thursday of every month. Hamilton Motorcycle Clubrooms, 149 Seddon Rd, 7:30

August Road Ride (August 10th and 11th)

Coromandel Overnighter

We met at Rototuna BP at 9:30 and got away around 10

There were 7 for the overnight stay and 6 day riders.

We rode from Hamilton up to SH2 near Maramarua by way of various roads splitting SH1 and SH27. Some new roads to a few. Then we cruised the road to Kopu.

We went Over the Kopu-Hikuai and gathered again at Tairua. We decided to lunch at Coroglen. That was a long stop as was a busy sunny day and it took at least 30 minutes for the food to arrive after placing an order. That was less than the 45 minutes they said it'd take!

Terry arrived in Coromandel out of the blue after we had arrived. Then he left at 7:45 next morning so he could take his partner to Waikite Vally Hot Pools (south of Rotorua)! A very keen fellow 😊 Terry is now off on a well deserved overseas break for about 6 weeks.

We had a good night at the Top Pub, just across the road from the camp ground cabins we stayed in. An excellent group of cabins with a covered area of outdoor tables where we could also park the bikes under cover also right next to the communal lounge, kitchen and bathroom facilities.

On Sunday we decided to go back on the sunny side of the coast; the reverse of the previous day. Well, a reverse road is like a new road isn't it? Better than going down the shady Thames coast. From Kopu we went home by way of Paeroa, where one of the guys split off to Tauranga, and then through Te Aroha. Home by 2:00. That was good; a nice hot shower and relaxed after stowing most of the gear away.

Cheers

Ray
