Leaving 10am on the dot from BP Tristram st. Don't be late. It's a Great ride

From the last club night.

Jon brought out his freshly finished GT750, what a fantastic job he has done!

Brought many memories to the fore, and that lovely 2 stroke smell

Thanks to Boyds for the display bike

## From The Last Road Ride

Led by Allan Crouch, some 20 plus bikes turned up on a lovely morning for a meander around South Waikato, dodging road closures and pot holes. This is the biggest turnout we have had in years

Lunch stop ended up being Tokoroa, because the country cafes are having a hard time staying open in this economic climate, all the more reason to support the survivors, good excuse to go on more rides.

I headed home after lunch, so don't know what the crew got up to in the afternoon, but I am pretty sure Okoroire was involved

Don't forget, write ups are welcome from any one that enjoyed a ride – newsletter is far more interesting with actual write ups!
