

## HMCC Presidents Report December 2024

Hey All

Once again this is last minute and now I'm a few drinks deep

As a farewell to 2024 Decembers club night theme is Bikes Beers & BBQ, as in a motorcycle only affair, Polish up your bike and we will see how many we can squeeze in the clubrooms and carpark . Bruce will lead a ride around Lime works Loop Rd. leaving the clubrooms at 6:00 sharp (be gassed up ready to go). Then back to Seddon road for a sausage and Lager if you cannot make the ride turn up anytime from 6:30.

I plan to be on the Fatboy (christened the Terminator) which I have finally finished if it's a bit of you hit me up for a test ride.

Sort your bike out and get along for some Beers, Bikes and Bullshit

P.S. If you have to bring the car your still welcome but park it where it cannot be seen

Cheers All see you there

### **November 10.11. 24 Road Ride**

I want to say 7 bikes left BP Tristram about 10am heading for Waitomo ( but all the voices in my head keep telling me different numbers). The weather was cloudy but good as we fled the Tron. Great riding to Pirongia. As we did follow the leader accept for one Who wont be named but was on a little dirt wanna be adventure bike. Got in to Pirongia with the compulsory check to make sure everyone was still there. As we headed outta town down came the rain then half way to the Kawahia Turn off Denise and I stopped to put on rain gear hoping it would scare the rain gremlins away. And it seemed to work for a while at least.

After turning off the Kawhia road we wound our way down to Kawhia harbour. Which is a great road with fantastic views.

We stopped in at the Te Anga café for a break. As usual they are always glad to see us and we got a great tour of the secret room. If you didn't come out you will have to go next time and maybe get then tour.

From there we rode to Waitomo to have lunch. We stopped at the pub but they were not open. So we went to the HUUH Café for a feed and a beer.

Not sure what happened after lunch But Denise and I left early to get back to Naikē by 4.30. Was a little drizzle on the way home but nothing we al cant handle.

We had a great time thanks to all who sorted the ride and hope to see more on the next time round.

Sorry I have no Photos.

### **December 2024 Road Ride**

The Road Rider Xmas Dinner is usually the December Road Ride. However, Jason Jakes is having a 50th birthday gathering on Saturday the 7<sup>th</sup> of December. There is definitely a BBQ at his place. Jason has also indicated that he has room if you want to stay for the evening's party.

Ray will send details out by text to those who may have ridden with Jason over the years. If you're not on the Ray's Road Rider text list and/or would just like to go for a ride, let him know on 0223400118.

### **Road Riders Xmas Dinner - Raglan - Dec 12<sup>th</sup>** (the Thursday after club night)

Head over to Ragers on your bike, or other means of transport, for a slower, more sumptuous dining experience than the November Fish'n'Chip run. It is likely to be meeting at The Wharf Kitchen and Bar (43 Rose Street, Raglan) at 6:30.

Sorry, venue hasn't been confirmed yet, but I will put notice on FB, and notify by text on Ray's Road Rider Text list.

If you aren't on the text list, let Ray know on 0223400118.
